

**Issue Date:** 02 August 2016 (revised 26 September 2017)

**Product:** Shower Trolley and Stretcher liners

**Current Product Part No:** TRTS002V

**Superseded By:** N/A

## Sales Bulletin

With immediate effect, we will be making changes to the colours available for the manufacture of shower trolley and stretcher liners.

This is due to changes made by the fabric manufacturer.

We have also, reduced the number of colour options to 12.

The standard colour will remain grey.

Extended lead times and price variations will remain in place.

Please contact us should further information be required.

### Liner Colour Options

Please note that with the exception of colour 5, all other colours are available to special order only and will be subject to extended lead times and price variations.
