

# Edale MK2

Technical  
Information  
see pages  
19-23

Ideal for any surface and for walk-in or wheeled shower chair users

The Edale MK2 sits neatly on the floor surface without the need to remove a section of the floor for drainage, making installation simple. The low entry detachable ramp (optional) is carefully graduated to help make the shower accessible for wheeled shower chair or walk-in users.

Please take advantage of our free on site surveying service.

### Package includes

- Shower tray (Left or right hand)
- Tri-fold door enclosure
- Assistance poles
- Curtain and curtain rail
- Removable ramp is optional

### Features

- **Easy to install with above floor waste** - No need to remove the floor, as the waste water is discharged above the floor, which makes plumbing simple.

- **Adjustable and safe** - The horizontal hand rail can be positioned at a comfortable height to suit the user, providing assistance when entering or sitting.

Assistance pole to curtain rail is provided as standard to help get in and out of the shower (option to the ceiling also available).

- **Door options** - Tri-fold doors supplied as standard.
- **Half height door enclosures** - Carer friendly door height allows a carer to assist without getting wet.
- **Tray colour matching choice** - A standard range available at no extra cost.
- **Textured floor surface for added safety.**
